Availability: live on Stake as an Only on Stake title. Engine fixes a game's route at launch, so other casinos can't carry this one. It's here to show what we build.

For your casino: new Engine Network titles, and exclusive originals on request. Talk to the studio at dadsofgambling.com/operators/#contact.

Figures are the game's certified per-mode RTPs from the math that ships to Stake, as printed on dadsofgambling.com/our-games/nebula-raiders/. RTP is a long-run average over millions of rounds; single sessions vary widely. Max win is the cap on a single round.
